

## R. DE WIT SHIPSTORES NAVAL STORES GROUP

# Rope Ladders

## About us

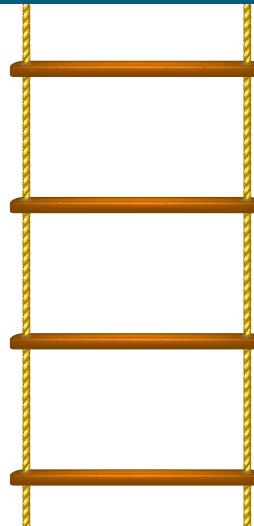

R. DE WIT SHIPSTORES is a M.E.D approved company located in Belgium in the port of Antwerp. **One of our important businesses is manufacturing, inspection and certification of pilot ladders, lifeboat & embarkation ladders, Jacobs & Monkey ladders worldwide.**

Our service minded team is always willing to assist you from inquiry through delivery. We always aim for 100% customer satisfaction with friendly contacts. For urgent matters, you can contact us 24 hours a day, 7 days a week, 365 days a year!

## Our products

We have our own production line of approved high quality pilot, embarkation, Jacobs ladders. All ladders are made by experienced and well-trained engineers.

Materials are sourced with greatest care and expertise so we can guarantee the safety of your costumers' crew. Pilots in different ports all around the world like our high quality product.

## Our service

### ⚓ High quality

We use materials of the highest quality to make the ladder as safe as possible!

### ⚓ Fast delivery

Because we always have stock, we can get you your ladders within a couple of hours. And when we don't have it in stock, we can make the ladders in a couple of hours.

### ⚓ Delivery

We deliver to your warehouse based in Antwerp, but we can also deliver to Gent, Zeebrugge, Flushing (NL), Terneuzen (NL), Rotterdam (NL), Amsterdam (NL), Dunkerque (Fr), Le Havre (Fr) or anywhere in the world.

### ⚓ Competitive pricing

Due to our efficient production line we can offer you great prices.

### ⚓ 24/7

We are available 24 hours a day, 7 days a week!

### ⚓ Materials

Our ladders are available in hardwood (bankirai, ash) or polymer (recycled plastic) or aluminum.

### ⚓ Ladder tarpaulin in PVC made to measure

Also hand whipping is still possible, we do it in our own warehouse.

### ⚓ Technical detail

Our mechanical clamping system does not cut the rope, that's what makes us better!

### ⚓ All lengths possible

No limit in production.

### ⚓ We can personalize ladders with your own logo
